**ADMINISTRATIVE LAW JUDGE'S RULING ON MOTIONS TO
INTERVENE OF ALLEGIANCE TELECOM OF CALIFORNIA, INC. AND
ANEW TELECOMMUNICATIONS CORPORATION D/B/A CALL AMERICA**

On March 12, 2002, Allegiance Telecom of California, Inc. (Allegiance) filed a motion to intervene in the above-captioned proceeding. On March 15, 2002,

Anew Telecommunications Corporation d/b/a Call America (Call America) filed a similar motion. There were no responses to the motions to intervene.

Allegiance is a facilities-based competitive local exchange carrier that uses unbundled network elements (UNEs) to serve subscribers in California. Call America is also a facilities-based competitive local exchange carrier that intends to use UNEs in the future.

Both Allegiance and Call America request to intervene as parties in this proceeding because they have a material stake in the costing and pricing issues at the heart of this proceeding. Both parties maintain that they will not broaden the issues in the case or unduly delay the schedule. Good cause having been shown, the requests to intervene should be granted.

IT IS RULED that:

1. The motions to intervene filed by Allegiance Telecom of California, Inc. and Anew Telecommunications Corporation d/b/a Call America are granted.
